This month's expert help offer some quickie solutions and insights.

Sam Ong

"I used to like Chinese opera when I was little," says makeup artist Sam Ong. That's what inspired the 34-year-old to sign up at the Cosmoprof Academy: Make-up, Aesthetics and Spa. It's been no turning back for Ong and he has since been able to work with celebrities such as Jeanette Aw, Kym Ng and even Taiwanese girl group, S.H.E. In *Future Shock* (p.166), Ong went spacey for a futuristic look to go with one of Spring's hottest fashion trends: Metallics.

Don't leave home without:
"Lip balm."
